Dear Steve,

I would like to extend my appreciation for the job that Tony Black and Lenny Fieler did for us at PHOTOTYPE. Both Tony and Lenny take pride in their work and have a deep concern for the client. Their professionalism is unmatched, a characteristic that is hard to find in this industry.

PHOTOTYPE was a very complicated and involved job with high quality finishes and fixtures, both Tony and Lenny were up to the challenge. The end product looks great and the owners are thrilled. They commented on how impressed they were with our selection of an electrical company on countless occasions. The Superintendent of PHOTOTYPE could not get over how diligent Tony and Lenny were and on how hard they worked. I too was impressed.

I look forward to working with both of them in the future and will request them on my jobs. Thanks for a job well done, and please extend my thanks to Ben Muncy, Tony and Lenny for all their hard work.

I sincerely wish you and yours a wonderful Holiday Season.
