Dear Scott:

We at Miller Valentine Construction, LLC take this opportunity to thank the team at Ohio Valley Electrical Services for its contribution to the outstanding success of The Midland Company project.

As one of our valued subcontractors, OVES demonstrated its worth through being a team player in every respect. Scott Hughes, Rick Franz, and their group of electrical technicians were always cooperative and thorough, bringing a “can-do” attitude to all aspects of their work.

The end result was that OVES executed its segment of this major project on time, within budget, and at a high level of performance. Quality and professionalism is what we at Miller Valentine Construction, LLC expect from those who work on our projects, and Ohio Valley Electrical Service met our expectations in every way.

Thanks to all at OVES who contributed to our success.

Sincerely,

MILLER-VALENTINE CONSTRUCTION, LLC
